PROBLEMS WORTH SOLVING

Finalist Name: **Judges Name:**

Criteria	Score (1-5)	Comments
1. Is the problem clear and concise?		
2. Is it clear what people and/or organizations have the problem?		
3. Is a compelling case made that customers would pay for a solution?		
4. Is the target market large enough to support a high-growth business?		
5. Is it clear that the existing solutions to solve the problem are inadequate or absent?		
6. Judge's Overall Impressions
